

# DFNC PLAYER HISTORY

## 2000-2019

Ref: 2020/17

Rikki Johnston( 245) and Terry Wheeler ( 160)  
A combined tally of 405 DFNC club games.

### INTRODUCTION :

The following five tables show those players who have played **50 or more Club Games** for DFNC in the period 2004-2019. While the majority of statistics commence at 2004, there are some players (e.g. Michael Hunter) whose game history has been traced back to the 2000 season.

The term '**Club Games**' simply means the aggregate number of games in Senior, Reserves and Third XVIII ranks for DFNC .

The footnotes, following the lists will, hopefully, assist in explaining the background to the compilation of these tables.

## FOOTNOTES TO DFNC GAMES HISTORY 2000-2019

1. The above lists indicate the playing histories of 106 players who have represented the club in more than **50 Senior, Reserve or Third Grade** football at DFNC during the last two decades. The statistics commence (mainly) at 2004 but there are few exceptions.
2. The above tables were mainly drawn up from Graham Stelling's computerized spreadsheets entries which he has maintained, for more than 400 footballers, in the period 2004-2020.
3. The players who have received Player Life Memberships for more that 175 Senior / Reserve games are indicated by **PLM** next to their games aggregate.
4. **NOTE: The games played in the Third XVIII competition are not considered in awarding PLM's.**
5. A list of all DFNC **Player Life Members** can be found at:

## ERRORS WILL & DO OCCUR - A REQUEST TO ALL PLAYERS

As mentioned above, the above tables were drawn from the playing histories of more than 400 DFNC players which, in turn, means at **least** 20,000 data entries.

Occasionally, the MPNFL statistics do not correspond with DFNC data; and sometimes Graham's computerized spreadsheets do not concur with the club's 'old fashioned pen and paper' (Roger's) system. Errors will and do occur in statistical records; and all players are asked to assist in this important aspect of club history by: (i) Keeping a tally of games played; and (ii) By checking individual figures at the end of each season. Thank you.

### DFNC MILESTONE BANNERS

Vicki Holt, who is a member of the History Committee, is willing to arrange a banner for those players who are approaching major playing milestones (e.g. 100 senior games) at DFNC. The photograph below is an example of the banners that Vicki that can arrange. See Vicki for further details.

The banner which was made for Daniel Gibbs in 2019,

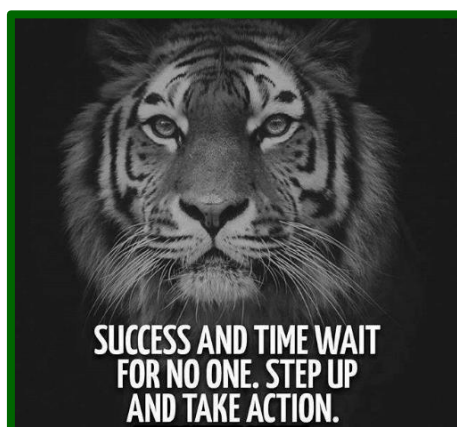

## CAN YOU HELP?

The history of DFNC can be traced back to the 1890's but, unfortunately, not a lot is known about those formative years. Many of the records, of those early days, have been 'lost in transit'; and no matter, how long people search, the details and achievements of a long list of local players are irrecoverable.

Reliable and trusted club history relies upon attention to team sheets, results and maintaining/ documenting match-day records.

Few people appreciate that recording the player career histories, at any football club, is a 'serious chore' particularly if there is a high turnover of players through the club in any season. For example, in 2018 approximately 85 players were listed with DFNC.

With the 'advanced years' of many DFNC officials, younger members are encouraged to consider becoming involved in club administration and, in turn, gain a basic understanding of that duties that must undertaken in any season.

## A NOTE OF APPRECIATION TO GRAHAM STELLING

While computer spreadsheets have made the task a little easier than old fashioned 'ink and paper entries', Graham Stelling has maintained the playing records of hundreds of DFNC footballers for over twenty years. Not all suburban-country clubs give such attention in tabulating the records of

players; and Graham is to be sincerely thanked for his diligence in this important aspect of club administration. Thank you Graham.
