## CAN YOU HELP?

Over the past decade, the Dromana Football Club has made a dedicated attempt to update the club history, playing records and award winners. It has taken many hours to research and verify all the above information; and, while the documentation of records, for the period 2000-2021, has been updated satisfactorily, there are still several 'gaping holes' in our club's history.

A disappointing aspect of the history of DFNC is the lack of recorded history in several eras of the club. Many local families, who sustained the football club in earlier times, warrant greater recognition; and it is hoped to do such people justice by finalizing the records for all seasons wherever possible.

If any readers are aware of DFNC trophy winners in the period 1920 -1950, please contact the club so that the information can be collated and posted on this website.

**For example:** If you have (or unearth) any 'old' trophies, medals and memorabilia in your possession simply write down the details (name of the award, recipient and year) and forward to the club. Thank you for your assistance in this important club task. Roger April -2022.

*Thank  
You*

Sincere thanks to those members who have taken an active interest in compiling the various historical lists and other data for the club archives. Acknowledging those people who laid the foundation of DFNC in earlier times, is one way in which the club can express our enduring gratitude to the long list of 'forgotten volunteers'.

Your help is greatly appreciated. Roger ( April 2022).
