# LESS THAN 50 SENIOR XVIII GRADE GAMES 1991- 2010

Reference: 2023/13

The importance of photographs in preserving football club history is again underlined with this rare photograph from April 6<sup>th</sup> 1996, at the pre-match ceremony against Rosebud, to mark the DFNC Centenary Year Celebrations. The players from left are: Paul Blasius, Jon Lanyon, Tim Hepner, Tony Williams, Scott Landsdown and Marc Corn. Tim and Scott won club's Best & Fairest awards. Tony Williams played 105 games, Marc Corn played 52 games, Jon Lanyon amassed 65 games and Paul Blasius played 17 games in his only season with DFNC.

### **INTRODUCTION TO GAMES HISTORY PARTS 1 & 2**

In recent years, DFNC has been trying to update the games records of all former players. It has proven a complicated task because, unfortunately, the records for some seasons have been lost with the passage of time. It is also regrettable that the team lists of Reserve and Third XVIII teams of earlier years appear to be irrecoverable.

However, there has been partial success in collating the records of many former Senior XVIII Grade players; and the tables below are an attempt to list those players who played at least one Senior XVIII game for DFNC in the period 1991-2010.

There are two parts to this DFNC History article;

- Part: 1- Games played from 1991-2000.
- Part: 2- Games played from 2001-2010.

**NOTE:** Younger readers may not be aware that the job of team managers, on match days, was much different in earlier times as the team sheets were handwritten and mistakes could arise. Confusion was also possible when siblings represented the club or when incorrect first names (e.g. nicknames) were written on the team sheet ...such 'small things' complicate tracing player histories.

The two lists shown below are not exhaustive; and there maybe inaccuracies (e.g. surname spelling(s) as given on the original team sheets or by way of transcription errors (e.g. Johnstone v Johnson, Robertson v Robinson etc.)

This photograph was taken in the late 1990's; and is of the DFNC Third XVIII.

In that era, The Thirds XVIII struggled for numbers; and was often unable to field a full complement of players. Consequently DFC was forced to rely on 'top-up' players (i.e. from opposing clubs) in order to allow the match to proceed.

From the above team, Luke Gallimore, Dan Nicolle, Casey Landrigan, Craig Baker, Mark Hill and Martin Hodgkins went on to play Senior XVIII football for DFNC. Ron Hunter (DFNC Life Member) and Alex McPhail (former trainer) are shown in the photograph. The team's mascot that season was Kane Ferguson (the son of DFNC Life Members Gary and Rhonda). The player in the back row openly laughing is Craig Bear. Craig is now a generous sponsor of the DFNC.

While the above team suffered some crushing defeats, the boys played with admirable spirit and often earnt the admiration of opposing clubs. It is fair to say, that the above team was one of the most determined groups of youngsters to represent the club in that 'rocky' period of club history.

## LESS THAN 50 SENIOR XVIII GRADE GAMES PART: 2: 2001- 2010

Aaron Hura is an 'unsung hero' and was one of the steadfast leaders of DFNC during that era. Aaron played 49 games with DFNC; and will never be forgotten for his gritty determination and earnest efforts to see the club survive and prosper. Aaron was presented with a DFNC Service Award in 2016.

Michael Prentice was a modest and humble achiever at DFNC; and, in his two seasons with the club, he played 31 games which included several superb exhibitions in defence. Michael originally played at Rosebud and was one of the stars of junior and representative football. His unquestionable talent was recognized; and he was recruited to Melbourne FC in the 1993 National Draft.

Michael played with the MFC Reserves in 1994-95; before crossing to Peel Thunder (WAFL). In 2002, Michael won DFNC's Best and Fairest award; and in 2003 he was the recipient of the Most Consistent Player trophy.

Michael was part of the leadership group during his time at Pier Street; and was a highly respected and popular member of the club

## THE PENTLAND CONNECTION -ALAN (SMFC) & COLIN (DFNC).

South Melbourne's first ever VFL premiership team of 1909. Alan Pentland can be seen at the front on the right hand side of the photograph.

While trawling through the playing histories of DFNC, the following question was raised... Is Colin Pentland, who played with Dromana in the late 1980's, related to the famous South Melbourne defender Alan Pentland?

Alan Pentland (1883-1952), was recruited to South Melbourne from Leopold FC; and played 53 games with the Bloods including the 1909 Grand Final against Carlton at the MCG. On that day, South Melbourne hung onto win in a low scoring affair. South Melbourne 4.14 (38) defeated Carlton 4.12 (36); and Alan Pentland, who was selected in the back pocket, was named in South's best players that historic day. It was South Melbourne's first-ever VFL flag. It is also known that Alan was a keen cricketer with South Melbourne C.C.

Colin Pentland played his eleven Senior XVIII games for DFNC in defence; and was regarded as a steady and hard running player. Any reader who can help with this piece of the DFNC 'jig-saw' is kindly asked to contact Roger. Thank you.

### A RARE PHOTOGRAPH OF TWO LOCAL HEROES.

A statement attributed to former DFC Secretary Mr J. W. Hazeldine (see below) in 1908 led to the discovery of a rare photograph as shown below. After combing through the June issues of 'The Weekly Times' of 1908, a photograph of two of the Peninsula's finest players Doug Chapman (from Dromana FC) and Len Incigneri (an undisputed champion of Hastings) as team members of the Richmond team in 1908 was finally located.

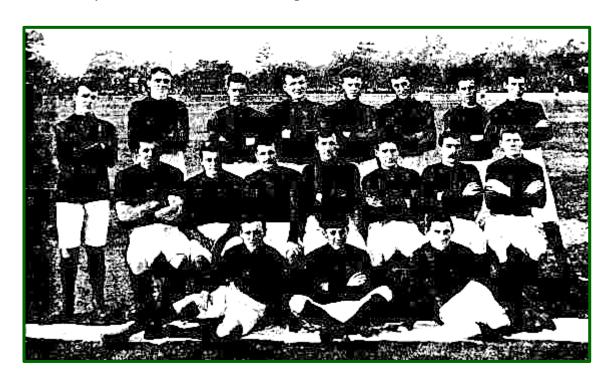

Doug was nineteen years of age when the photograph was taken. Imagine how proud the people of Dromana must have felt in seeing Doug in the Richmond colours.

Chapman and Incigneri (Hastings) appeared in "the Weekly Times" photo of the Richmond team last week. Chapman, who is only in his eighteenth year, is an athlete of no mean order, as besides this being his second year with Richmond, has other good performances, being winner of the Dromana Sheffield and Hurdle race, and kicked 65 yards in a kicking the football competion at Mornington.

This is the extract that provided the clue to finding the photograph of Doug Chapman and Len Incigneri in the Richmond XVIII Source: 'The Weekly Times' June 13<sup>th</sup> 1908. Page: 3

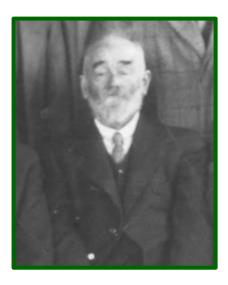

The Richmond team in 1908 is shown below. Dromana's young champion, Doug Chapman, can be seen on the extreme left of the middle row and Len Incigneri is second from the right in the middle row. This was Richmond's first season in the VFL. Doug is sitting next to young Billy Schmidt who would become a truly remarkable character in the history VFL football.

In 1908, Doug played 11 games while Len played 16 games for Richmond FC. Len Incigneri is undoubtedly one of the greatest footballers to have been recruited from the Peninsula to VFL ranks. Source of the photograph below: 'The Weekly Times' June 13<sup>th</sup> 1908 Page: 26.

### A TRIBUTE TO JOSEPH WILLIAM HAZELDINE

As mentioned below Joseph William Hazeldine was the Secretary of the Dromana Football Club in 1908; and he appears to have been another dedicated volunteer in those formative and challenging years.

This is thought to be a photograph of Joseph William Hazeldine in 1928. Joseph was a most active member of the Dromana Football Club and the wider community. Source: State Library of Victoria. Reference no: 1952798.

The published notice of the passing of Joseph William Hazeldine in August 1935.

Joseph Hazeldine was born circa 1853; and settled in Dromana sometime around 1887. It is thought that Joseph may have previously lived at Picola (i.e. near Echuca). It is known that Joseph was a school teacher at the Rosebud State School for some time; and also held the important role of Registrar of Births and Deaths at Dromana. According to the Government Gazette, he was appointed as an electoral registrar sometime in 1927.

Hazeldine, J. W., electoral registrar, 594
Head, E. L., nurse, 1314
Heagney, J. E., electoral registrar, 592

Joseph was also a member of the Dromana Chess Club, Literary Club, Dromana Cricket Club and was also Secretary of the Dromana Recreation Reserve. In a match review of a football match, between the Mornington Rovers and Dromana, a 'certain' Mr Hazeldine was the Central Umpire.

Joseph also had a connection with the Health Inspectors Association of Victoria but details are unclear regarding that time in his life. It appeared that Joseph was actively involved in numerous organizations of the community and he certainly 'never let the grass grow under his feet.'

Joseph died in August 1935 and was buried at the Dromana Cemetery; and the pall bearers at his funeral were: Cr. Wilson and Messrs A.W. Farrell, L. Carrigg, J. Matthews, A. Cooper, B. Wilson, J. Morass and G. Brown. Although yet to be verified by local historians, Joseph's headstone at the Dromana Cemetery may have been destroyed by the devastating bush fires of 1939. Joseph's wife, Elizabeth passed away in February 1934.

According to the 'Frankston & Somerville Standard' newspaper (August 30<sup>th</sup>, 1935), Joseph had ten children (six sons and four daughters); and the name 'Hazeldine' features prominently throughout the history of the Dromana Football Club.

There is undoubtedly much more to the story of Joseph Hazeldine and his connection with the DFNC; and any reader who can add to the above is kindly asked to contact the club. Thank you.

### VINCENT HAZELDINE

One of the Hazeldine family of Dromana, Vincent Hazeldine (shown below), played with DFC in those years after World War: II. It is recorded that in the game, against Mornington in 1947, Vin booted seven goals for Dromana. Vincent's sons (Brian and Philip) also played with Dromana. Another member of the family, Anthony, played ten Seniors XVIII games with DFC in the 1990's.
